

NRHARC Club Meeting
09/21/2008 7:00 pm
NRH Fire Administration Building, NRH

25 total present, 4 visitors.

Dave called the meeting to order and welcomed our visitors.

Doyle gave a financial report. We have \$1320.69 on hand with about \$80 outstanding for shirts. This includes the \$500 scholarship funds.

Ron Boyk gave an update on our repeater status. He has ordered the crystals for our frequency and they should be in about two weeks.. Steve Arntz is modifying one of the boards to DB9 connectors to allow for easy connection.

In Monte's absence Tim Chamberlin gave us a report on the RACES meeting which was held with Sean Hughes. Sean will fast track any applications for RACES membership to eliminate current reported problems.

Roger and Hugh gave us a quick overview of their time with Texas Task Force One in south Texas with hurricane IKE. They will give us a presentation with pictures for the October meeting.

Harry Monck updated us on the Technician Class which begins this Saturday. We have 8 students for this class.

Harry Monck gave us a fine presentation on GO KITS; in particular, a 72 hour kit and a Ham Kit. Hugh and Roger also provided input on needed contents. There was lots of good discussion with members and visitors as well.

Hugh asked for input on possible antennas for HF with a possible guarantee of communications out to 300- 400 miles. Multiband NVIS antennas were suggested.

Motion was made and seconded to Adjourn the meeting at 8:40 pm.
