

NRHARC Meeting 28 April 2008

Dave Routzon presided. 35 total in attendance, including 2 visitors.
Introduction of new General class licensees. We have QSL cards for club K5NRH.
Members completed membership information sheet. These will be done for all members.
Education coordinator will be Harry Monck KE5MLV. Need a publicity chairman.
Report on sign to advertise Field Day: 4 by 8 foot double sided on a skid.

Jeff Peltier W5JNP gave a presentation on his first year having a General class license.
He covered radio, antennas, coax, logging program, and station setup and operations.

Then we had a roundtable panel discussion on radios, antennas, and installations.

Dave presented the results of the survey.
Announced the May meeting will be a coordination meeting for Field Day operations.
Mike Needham said all RACES members and other interested club members can check in
on 145.370 repeater for NRH local emergencies, weather events, and other local events.

Had the 50/50 drawing and adjourned at 9:12 pm.

Minutes recorded by NRHARC Secretary John Wayne Dossey K5GD 28 April 2008
