

NRHARC Meeting 28 July 2008

Dave Routzon presided. 35 total in attendance, including 3 visitors.

Harry Monck [HMonckiv@aol.com](mailto:HMonckiv@aol.com) needs more students for Technician class. If there are no more than 4 the class will be cancelled.

John Dossey read minutes of June 29 meeting and the repeater committee report. It was moved, seconded, and passed unanimously to accept minutes as read. Doyle Hardy gave a summary Treasurer's report.

John Dossey reported the Field Day results. We had 106 participants, 1490 bonus points, and 248 QSOs with a claimed contact score of 562. Total score 2052.

Then we had a discussion of repeater fundamentals and the hardware required for repeater operation.

Monte Meadows discussed the requirements and classes for emergency operations and severe weather reporting. We need weather school and ICS training so the club can support NRH in emergencies.

John Davis needs net controllers for the Monday night nets.

A new email list is established to discuss radio related questions, ask for radio help, or buying and selling of radio equipment. [club@nrharc.org](mailto:club@nrharc.org)

Had the 50/50 drawing. Adjourned.
